

Thank you for your patience as I was doing weather watcher duty to get a good idea of what the weather will bring.

Ride goes Rain or Shine! Good time to test your cold/wet weather gear!

Briefing at 12:30 - leaving a little later in the day so that at least it will be warmer while we chance getting wet.

Leaving from McDonalds (Pocket Rd off of I5)
8940 Pocket Rd, Sacramento, CA 95831

Shell station across the street so gas tanks can be filled BEFORE briefing

No stops along the way except those required by law. About 70 miles and an hour and a half there.

Late Lunch at Fusion Grill at about 2pm

1906 Vista Del Lago Dr # D, Valley Springs, CA 95252

Need a volunteer for sweep please!

I will be coming back through Lone and Rancho Murietta and can lead anyone back that needs a leader.

Should be back in Sacramento right around sunset.

Have Fun
