

*Is Gold Country Riders  
Right for You?*

With over 60 members, Gold Country Riders includes women from multiple Northern California counties. **We are as diverse as the motorcycles and scooters we ride.** We come from various walks of life and vocations, but we all have one thing in common: a passion for riding, and a desire to support other female motorcycle enthusiasts.

Whether you're a rider or passenger; a novice or expert rider, **women of all ages and skill levels are welcome and encouraged to participate with us!** Male, female, and child support members are also welcome. If you love to ride and enjoy the company of likeminded ladies, then Gold Country Riders may be right for you.

## *About us*

Gold Country Riders is a chapter of the Women On Wheels® national organization. Founded in 1982, Women on Wheels exists to unite all women motorcycle enthusiasts, whether they ride their own motorcycle or scooter, or are passengers, enthusiasts, or future motorcyclists. **WOW has over 2,000 members located throughout the United States, Canada, and several other countries.**

## *Gold Country Riders invite you to join us!*

Come experience what we are all about by joining one of our monthly meetings. **We get together for dinner once every month** – see [www.GoldCountryRiders.com](http://www.GoldCountryRiders.com) for details on time and location. The meetings are a fun social time to catch up with friends, make new friends, discover motorcycle riding, maintenance, and safety tips, and learn how you can get more involved.

After attending a meeting, we welcome you to join us on one of our monthly scheduled rides. **Rides are scheduled for the second Saturday of every month.**

We also hold two three-day weekend getaways during the year: the Spring Fling and the Fall Jamboree.
