L onto bridge	74.4 m
L at stop sign at end of bridge to Walnut Grove	74.5 m
R onto Hood Franklin Rd	86.5 m
END OF RIDE IS North	89.0 m

I consider this a beginner ride. We will going on 1 ferry. It is a free floating ferry. I rate it a 2.5 because speed is no higher than 55 mph. Many places the speed varies between 25 to 45 mph with soft curves and many areas will be single file.
