

Priest Station Café Ride

June 10, 2017

Meet: Chevron, 7175 Murieta Drive, Rancho Murieta
Meet at 9:30
Kickstands up at 10:00

If anyone would like to ride to the meet spot with me from Roseville please message me and we'll work out the details

Route: 90 miles
Approximately 2 hours, 9 minutes
<https://goo.gl/maps/TF5me7TkBtq>

Ride
Rating: The ride is rated as a 2.5 to 3 (moderate). The route may include a few challenging aspects but the rider is not expected to maintain constant intensity or sustain riding in difficult conditions.

Lunch: Lunch at the Priest Station Café <http://prieststation.com/>

Menu: <http://prieststation.com/wp-content/uploads/lunch.pdf> (which also include several vegetarian options)

Priest Station is a small business with quite an interesting history. It's been in operation since the 1800s and the Café is now run by the 6th generation of the family. Check out their fascinating history on their website.

Our reservation will be for 12:15. They can split checks if we pay at the register. Depending on size of the group the gratuity may be automatically added. I recommend bringing cash to make things easier.

Return
Route: Please self-organize if you'd like to ride back with others. I will not be leading a return route.

For those that need fuel before heading back I've confirmed that Claim Jumper Outpost has gas. They are approximately one mile up the road, past the restaurant on highway 120, located in the town of Big Oaks Flat.

Please RSVP on FB or to tammymathewswow@gmail.com
